

Jornada ISQCH 2014: *Alternative solvents for synthesis and catalysis*

Viernes 11 de Abril

Sala de Grados
Facultad de Ciencias
Universidad de Zaragoza

- 9:30 Catalysis in eco-friendly solvents: Some examples of efficient transformations in water and glycerol
Victorio Cadierno (Universidad de Oviedo)
- 11:00 Switchable solvents
Philip Jessop (Queen's University, Canada)
- 12:30 Deep eutectic mixtures as solvents in organic synthesis and catalysis
Burkhard König (Universität Regensburg, Germany)

Instituto de Síntesis Química y Catálisis Homogénea
