

**Last call for abstracts**  
**Virtual Physiological Human 2018 Conference**  
**VPH for In Silico Medicine**

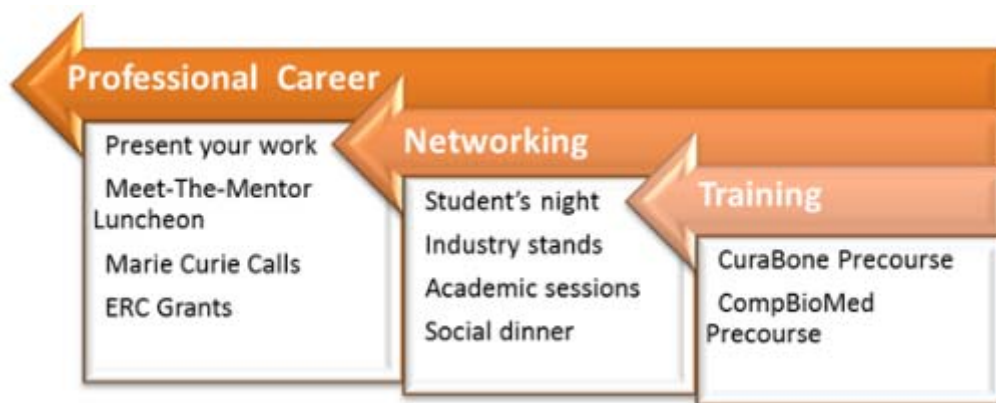

Dear colleagues,

We would like to remind that the call for Abstracts for the VPH2018 is open until **March 15th (no further extensions)**. Please submit your contribution before the deadline.

**Exclusive industry sponsor, MEDTRONIC, offers full registration grants for 5 students. These grants will be awarded to the best works submitted by students to the conference.**

All interested students must write an email to [vph@unizar.es](mailto:vph@unizar.es) (or [vph2018@unizar.es](mailto:vph2018@unizar.es)) indicating their submission title to be selected for the grant. Student certification will be also required.

We will also like to share with you some of the student activities that will be taking place during the conference.

- VPH Meet-The-Mentor Luncheon (Sponsored by Medtronic) This will be an opportunity to have very inspiring chats about their future with important researches and to advise on career possibilities from industry and academic leading researchers.
- CuraBone Pre-course: PATIENT-SPECIFIC MUSCULOSKELETAL MODELING. Tuesday 4th, from 15 to 19 (registration required)
- CompBioMed Pre-course: HIGH PERFORMANCE COMPUTING FOR THE VPH. Tuesday 4th, from 13 to 17 (registration required)
- EC funded opportunities for young researchers, covering Marie Curie and ERC programmes, but also H2020 and FP9 calls.
- Student's night. A social event for students and young researchers to gather after the conference and get to meet international colleagues.

Looking forward to create an exciting event for all the VPH community! more information to be confirmed soon at: <http://vph-conference.org/>

**VPH for In Silico Medicine**

**5-7 September 2018**

**Zaragoza, Spain**
