

Dear Colleagues,

The Frank Laboratory of Neutron Physics, Joint Institute for Nuclear Research, kindly invites you to submit applications for beam time at the IBR-2 high flux pulsed reactor. The web-site for proposals submission is moved to a new address:

<http://ibr-2.jinr.ru> .

All the previously made registrations are restored and valid to access the new web-site.

The deadline for submission is November 1, 2012.

The beam time will be distributed for the reactor operation cycles in the period from January to June, 2013 on the basis of the proposal evaluation results by the Expert Committees and in accordance with the FLNP JINR User Policy regulations.

The detailed description of the instruments and sample environment is available at <http://flnp.jinr.ru/566/> .

In case of any questions related to the preparation and submission of applications, please contact the User Office Secretary, Mrs. Julia Emelina (user\_office@nf.jinr.ru).

Sincerely yours,

Denis Kozlenko

Head of the IBR-2 User Office
