VISITING PROGRAM

México is a big and a wonderful country. There are many places to visit and many things to do. We have arts and crafts, history, music, gastronomy, museums, archeology sites, colonial and modern cities. We hope all sociocyberneticians will spend a splendid time in our country enjoying unforgettable days. If all members and companions could arrive México City on thursday 19th or friday 20th, we all could plan two interesting weekends. One visiting Ciudad de México and the other an special trip to Oaxaca city.

FRIDAY JUNE 20

WELCOME

During all the weekend we are ready to receive all members and participants in hotel FIESTA INN

- **“Ciudad Universitaria” visit (Free of charge)**

University City Campus of the *Universidad Nacional Autónoma de México (UNAM)*, was recently declared cultural heritage of humanity by the UNESCO.

This city built from 1949 to 1952, was inscribed as a unique example of 20th-century modernism integrating urbanism, architecture, engineering, landscape design and fine arts and is one of the most significant icons of modernity in Latin America and Muralism!!.
